about the cover

We approached our holiday photo shoot a little differently. Let's think festive! Let's add glamour! We visited Isabella Grape (then in the throes of moving) where Marilyn Hadley was happy to lend Frances Weller a sparkly dress. Spectrum Art and Jewelry provided Betsy Frost earrings – how appropriate for the season. Vangie Graves at Jewels by Park Lane offered the perfect necklace.

Chip O'Quinn of Bangz Hair Salon did Frances' hair, and Stephanie Alexander met us at the WECT studio to do Frances' makeup. And the studio kindly worked around us as Erin Whittle set up lighting and encouraged some work with a Santa hat. *Wilma* would like to extend a warm holiday thank you to all of the people who made this possible. ♦

Thanks Vangie!
